## Letter from the Editor

Greetings Fellow Genealogists,

Memorial Day is upon us, and we honor all soldiers who died while serving their country. Congress passed a law in 2000 that requires all Americans to stop what they are doing at 3pm on Memorial Day to remember and to honor those who have died serving the United States. I hope to visit Oakdale Cemetery in Marysville and the Milford Center Cemetery. It has been discovered that the memorial honoring WWI was moved from the old Marysville cemetery to Oakdale. This has been confusing, as people outside Union County, they may refer to Oakdale as the old Marysville Cemetery. It is hard to believe that before 1900 more than 500 graves were moved from Marysville Cemetery to Oakdale Cemetery. This major undertaking was to make room for the railroad.

On my recent genealogy trip, we discovered how it is essential to document, document, document. I learned that handwriting in the past may be illegible and passed on as a different word. Thus, making it hard to find an area, person, and place. Therefore, so many names, we do not know the correct spelling. Cursive handwriting in the past is very hard to interpret. This offers us many roadblocks and the need to walk away and revisit later.

Marty

## The Union County Chapter of the Ohio Genealogical Society Minutes March 16, 2019

The Union County Chapter of the Ohio Genealogical Society held their first meeting of the year at the Marysville Public Library on Saturday, March 16, 2019, at 10 am in Meeting Room A. **Steve Lowe**, Vice President called the meeting to order and welcomed everyone.

**Lynn Baldwin**, Lineage Society Chair, said we have 2 pending applications. **Nancy Katzenbach**, Librarian & Membership Chair, reminded everyone that dues are due. She had also received The Richwood Presbyterian Church History starting in 1874

from **Tim & Carol Stevens**. **Nina Hampton** announced the OGS State Convention is May 1- 4 at Great Wolf Lodge in Mason, Ohio. **Steve** announced that the Marysville Journal-Tribune is collecting old pictures, postcards, and stories of Marysville for the Bicentennial Edition of the paper to be published August 1.

**Steve**, a current member of the Post, then presented an informative power point presentation of the 100 years of the American Legion and local Post #79. His family has been involved with the local Post since the very beginning with his grandfather, **Warren Ritchie**, who served in WWI and was a charter member of the Post. His grandfather, **Truman Lowe**, was also a member and gave his dad, **Don Lowe**, an American Legion membership when he returned from WWII. The Armistice, the end of the Great War, was signed on the 11<sup>th</sup> Day of the 11<sup>th</sup> month and the 11<sup>th</sup> hour on November 11, 1918. The American Legion came about as a fraternal organization for veterans from the Army, Marines, and Navy who served during the Great War. After World War II, the Great War was changed to World War I. The Post then offered membership to those WWII veterans and then to the wars following that.

The local post purchased 24 acres of land on the west end of the township, and in 1937 the WPA (Works Progress Administration) built the building that is in use today. 1959-1960 an addition was built. The WPA also constructed the original pool that opened in 1935 and served the citizens for over 40 years. The American Legion Post #79 and Women's Auxiliary sends high school students from the area schools to Buckeye Boys & Girl State in the summer. They sponsor the Americanism Test. Work with the Union Co. Support Group and provide the flags for downtown Marysville. They provide the Color Guard for local events. The Women's Auxiliary promote Poppy Day which helps veterans in nursing homes and veterans' families. They participate in the Memorial Day, 4<sup>th</sup> of July parades and pass out flags. They also participate in the Christmas parade. They put flags in the markers of veterans' graves for Memorial Day too. The American Legion has done many great things for veterans' and the community over their existence of 100 years.

The next meeting, **Robert W. Parrott**, a local attorney, will present a program on "Notable People Who Have Come from Marysville" on April 20.

Those who enjoyed the presentation were: **Lynn Baldwin, Marie Bouic, Sara Halley, Nancy Katzenbach, Steve & Jeanne Lowe, Nina Lee Hampton, Virginia Smith, Marty Scott, Avanelle Oberlin, Don & Roberta Coder, Bill Thompson, Al & Peggy Birt, Jack & Sabra Foster, Sharon Parrott, Bill Boerger, Jim Foley, Rolly Rausch and Mel Cantrell.**

## Interesting Fact

### from the presentation by Steve Lowe:

#### Ohio School Pupils Will Get Grenades (1919)

This was a hand grenade. It was one of 15,000,000 engines of death and destruction designed to impress the answer of democracy upon the challenging tools of autocracy during World War I. World War I ended before this grenade, and its companions accomplished their purpose.

Thirty thousand school children – probably more – received at the reconvening of school in that fall this souvenir of the war – a hand grenade converted into a savings bank. The mechanical devices for exploding and safeguarding the thrower were left intact. Only the TNT was removed. This was done to make room for the pennies and dimes school children saved therein for the purchase of War Savings Stamps. These grenade banks were given to every pupil who sold \$100 worth of War Savings Stamps between July 1<sup>st</sup> and the opening of school.

At the meeting, March 16, 2019, representing the American Legion Post 79 and Auxiliary were (left to right):

**Al Birt**, Chaplain  
**Peggy Birt**, Auxiliary  
**Mel Cantrell**, Commander  
**Jeanne Lowe**, Auxiliary  
**Steve Lowe**, Treasurer

## Memorial Day Facts ([softschool.com](http://softschool.com))

Each year on the final Monday in May the United States celebrates the federal holiday Memorial Day. Formerly Memorial Day was known as Decoration Day, meant to honor the Union and the Confederate soldiers who died during the American Civil War. By the 1900s it had become a day to celebrate all American soldiers who died while serving in the military. It wasn't until 1967 that it was legally named Memorial Day. It became a federal holiday in 1971. The exact origins of who held the first Memorial Day celebration is a debated subject.

### Interesting Memorial Day Facts

Approximately 620,000 soldiers on both sides died during the Civil War.

- █ The Grand Army of the Republic was created by the Union Army to honor their dead. After World War I the American Legion took over their duties.
- █ Congress passed a law in 2000 that requires all Americans to stop what they are doing at 3pm on Memorial Day to remember and to honor those who have died serving the United States. **President Clinton** signed this action.
- █ The flag is supposed to be flown at half-mast until noon, and then raised to full mast until sunset on Memorial Day.
- █ The tradition of wearing red poppies on Memorial Day originated from **John McCrae's** 1915 poem In Flanders Fields. In Canada, they wear red poppies to honor their soldiers on Remembrance Day in November each year.
- █ Although not as popular today, one tradition was to eat a picnic meal while sitting on the ground of a cemetery. There are still some people in the rural areas of the South that continue to practice this tradition.
- █ It's common for volunteers to place the American flag on graves in the national cemeteries
- █ Memorial Day is also a favorite day for people to visit cemeteries and honor those who have died while serving in the military.
- █ It's estimated that approximately 32 million people travel by car over Memorial Day weekend.
- █ Memorial Day also marks the beginning of the summer vacation season while Labor Day marks the end.
- █ In some areas of the rural South, they hold annual Decoration Days around this time for private cemeteries, often in the mountains.
- █ Memorial Day is sometimes confused with Veterans Day. However, Veterans Day honors all United States military veterans, while Memorial Day honors the soldiers who died while serving.
- █ In 1966, **President Johnson** named Waterloo, New York as the original place of Memorial Day.
- █ There were more American lives lost during the Civil War than the two World Wars combined. Approximately 620,000 died during the Civil War while nearly 116,516 in World War I and about 405,399 in World War II.
- █ There are more than 300,000 fallen soldiers buried at Arlington Cemetery. On average, there are 28 burials there each day.
